

Chriss

This letter is to request that you temporarily remove yourself as the D.E.O. of Green Mountain Falls, Co. for the duration of the recall petition submission and necessary followup through the en-suing election!

This request is due to your possible Conflict of Interest with the recall petition subject and purpose.

A great deal of our perception of conflict is strengthened by your not recording all the questions and proceedings at the recent Town Board Meeting and changing some of the wording so it is interpreted differently. There are some other things we have found and have that also adds to our apprehension .

Also a copy of this letter was given to the Press and any interested attendee at our Press Conference held just before coming here to file the Recall petitions.

This is also being sent to the offices of Colorado Elections !

Thank You

The Concerned Citizens Group of Green Mountain Falls, Co.
