**APPROVE MINUTES FROM April 13, 2010. M/S Lowndes/Krall to approve the minutes as submitted. All yea**

**NEW SIGN REQUEST - CHURCH IN THE WILDWOOD, 10585 UTE PASS AVENUE - Representatives** Patricia Allen and Linda Church were present with a new sign request submittal. The intention is to remove the current sign and erect a new, two sided, changeable message board sign in a more prominent location; the west side of the church, perpendicular to the building. It is their feeling that the board will be more clearly viewable while driving from either direction. The members of the church are dedicated to serving friends and neighbors in the community and have launched several new projects that want the community to know about; i.e. Food Pantry, Community Garden, Helping Hands. The sign will announce church activities and other local community events. The tree will be pruned and possibly removed after the sign is erected. Planning Commissioners lobbied for pruning of the tree with the hope that it could remain and not be removed. Commissioners had performed a site visit to confirm location. **M/S Turnbull/Lowndes to approve submittal that conforms with the Municipal Sign Codes. All yea**

**OTHER BUSINESS:** No other business presented or discussed.

**CORRESPONDENCE -** No correspondence was received.

**The meeting was adjourned at 6:17 p.m.**
